RESPONSIBLE TOURISM

Your Guide to Enjoying Dubai Responsibly

Welcome to Dubai

We are pleased to welcome you to Dubai and invite you to enjoy the city's culture, heritage, natural environment, and attractions responsibly.

As our guest, your choices can help protect the destination, support the local community, and ensure Dubai remains an enjoyable place for residents and visitors alike.

Respect Local Culture & Customs

- Respect UAE customs, traditions, and local laws
- Dress respectfully, particularly when visiting religious or cultural sites
- Ask permission before photographing people
- Follow instructions provided at mosques, museums, and heritage areas
- During the Holy Month of Ramadan, be mindful of local customs around eating, drinking, and public behaviour

Protect Dubai's Environment

- Never litter — always use designated waste bins
- Avoid unnecessary single-use plastics
- Use reusable water bottles where available
- Conserve water during your stay
- Turn off lights, air conditioning, and electrical equipment when not needed
- Stay on designated paths and follow instructions in natural areas
- Never feed, disturb, or approach wildlife

Respect Marine & Desert Environments

- Keep beaches and natural areas clean
- Do not touch or disturb marine life
- Do not collect coral, shells, or other natural materials where prohibited
- Follow designated routes and instructions during desert activities
- Use licensed and responsible tour operators where possible
- Follow safety and environmental requirements at all attractions

Reduce Waste & Conserve Resources

- Reuse towels and linen where appropriate
- Report leaking taps, toilets, or other water issues to our team
- Avoid unnecessary printing
- Use recycling facilities where provided
- Choose reusable items instead of disposable products whenever possible

Support the Local Community

- Consider purchasing locally made products and handicrafts
- Visit local businesses and restaurants where appropriate
- Support authentic cultural experiences and local attractions
- Respect local residents and communities
- Avoid purchasing products made from protected wildlife or illegally obtained natural resources

Travel Responsibly

- Use public transportation such as the Dubai Metro, tram, or buses
- Consider walking when conditions and distances allow
- Use licensed taxis and transportation providers
- Follow traffic regulations and pedestrian safety requirements
- Consider sharing transportation when travelling in groups

Enjoy Dubai Responsibly

- Follow the rules and instructions of each venue
- Respect privacy when taking photographs or videos
- Do not enter restricted areas
- Protect cultural and historical sites from damage
- Keep noise at an appropriate level
- Leave natural and cultural attractions as you found them

Every Choice Counts

By travelling responsibly, you help us protect the environment, respect local culture, support local communities, and preserve Dubai for future generations.
