MOVE SMART. DISCOVER MORE.

Your Guide to Sustainable Travel in Dubai

At SLS Dubai, we invite you to explore the city through convenient and more sustainable mobility options whenever practical.

GETTING TO SLS DUBAI

SLS Dubai Hotel & Residences is located on Marasi Drive, Business Bay, Dubai, along the Dubai Water Canal.

From Dubai International Airport (DXB) — approx. 15–20 minutes

The Dubai Metro Red Line runs directly from the airport (Terminal 1 and Terminal 3 stations) to Business Bay Station, a short distance from the hotel — a convenient and more sustainable way to arrive.

- Metro: Red Line from Airport Terminal 1 or Terminal 3 to Business Bay Station, then ask our Concierge team for the best onward route to the hotel
- Taxi/ride-hailing: RTA taxis and ride-hailing apps are available at the airport; where possible, ask for an electric or hybrid vehicle

From Al Maktoum International Airport (DWC) — approx. 40–45 minutes

Taxi or ride-hailing is the most practical option for this route.

Need help planning your arrival? Our Concierge team is happy to advise on the most convenient and sustainable route for your journey.

METRO

Business Bay – R26 | Red Line

A short connection from the hotel brings you to Business Bay Metro Station.

Burj Khalifa / Dubai Mall – R25

Ideal for Dubai Mall, Burj Khalifa and Downtown Dubai.

Ask our Concierge team for the most convenient route from the hotel.

PUBLIC BUS

F14

Connects through Business Bay and gives access to the Metro network.

Nearby boarding points from SLS Dubai:

- RBC Tower 2 – 01 — approximately 14 minutes' walk from SLS
- Business Bay 2 Bus Station — approximately 18 minutes' walk

Bus 29

Serves the Downtown / Business Bay area. Ask our Concierge team to assist you with reaching Business Bay Metro Bus Stop Landside — from there, Bus 29 connects toward the Downtown/Dubai Mall area.

- Bus 29 towards Dubai Mall — ideal for reaching Dubai Mall and Downtown Dubai by public transport
- Bus 29 towards Al Ghubaiba — connects Business Bay with areas including BurJuman and Al Ghubaiba

CYCLING

Business Bay Cycling Track — Careem BIKE

Check the Careem app for the nearest available bike station — availability and docking points can change, so the app always shows the latest options near you.

Careem Bike locations currently mapped in Business Bay include:

- Marasi Drive
- Al Khaleej Al Tejari 1 Street
- U Bora Towers / Marasi Drive
- JW Marriott Marquis area
- Al Habtoor City

Dubai Canal Track

Enjoy a scenic ride around the Dubai Canal and Business Bay using designated cycling infrastructure.

E-SCOOTERS

How to rent one

Open an authorised operator's app → locate the nearest available e-scooter on the map → unlock it → ride only on designated tracks → return and park it in a designated zone.

Please keep in mind

- Use designated/shared e-scooter tracks only
- Helmet required
- Follow posted speed limits
- No tandem riding
- Park only in designated areas
- Follow RTA regulations

- Riders must be 16 or older (exemptions apply for valid UAE/international driving-licence holders); permit requirements may apply in some designated areas

WALK & DISCOVER

For nearby destinations and when the weather is right, explore Business Bay and the Dubai Canal area on foot.

Take your time. Discover more.

ELECTRIC & HYBRID MOBILITY

Prefer private transportation? Ask our Concierge team about available electric or hybrid transportation options.

PLAN YOUR JOURNEY

Our Concierge team is always happy to recommend the most convenient option for your destination and to help with current routes and journey planning.

Every journey makes a difference.
Travel thoughtfully. Explore responsibly.
